## CONDITIONAL

This is a request for an extension of time of conditional (days), (weeks), (months) under 37 CFR 1.136 in this pending application. An extension of time is available in this application under the provisions of 37 CFR 1.136(a); however, additional time to respond may still be granted under the patent statute. No petition fee is required. The reasons for requesting the extension of time are the following:

The Notice of Appeal was mailed on August 8, 2003 and received at the U.S. Patent and Trademark Office on August 12, 2003. It is not believed an extension of time and fee is needed. However, if a extention of time is needed, this is a conditional petition for an extension of time. Please charge Deposit Account No. 16-1331 (small entity).
